Helping the Poor and
Needy Children

Sam & Rena Vonumu's India visit January 2, 2010 – February 4, 2010

Dear Sponsors, Friends and Well Wishers,

I am very thankful to my employer, Discovery Communications LLC (the main headquarters for the popular cable channel, The Discovery Channel), for allowing me to take a long vacation to participate in events in honor of our services in India. With my team, we were able to visit approximately, 800 of our 1000 sponsored children.

With the help of our local volunteers and our directors in India, we conducted Annual Awards & Rewards ceremonies to the most outstanding children for their performance in school. These are public meetings attended by the school staff, sponsors, the children, their parents, local government executives, social workers, friends and well-wishers. The largest public meeting was conducted at Vysakhi Jala Udyanavanam, Visakhapatnam, AP, India on January 24th with approximately 900 people. These types of events have proven to be very successful. Many of our sponsored children are inspired and motivated to do well and to receive these awards. Each program concludes with a meal for all of the children and parents. The meal expenses are shared among many of our sponsors. Each year these programs are eagerly received and celebrated by our children and families.

Boggavarapu Foundation Award Certificate

Mr. Satyanarayana Raju, (Dy. Director IRS) awarding Ms. Sheila Jackson of Olivet School

Mr. Surya Rao Challapalli announced a new award in his father's name. He likes to recognize those children who are at the bottom and struggling to come up. For those who made a significant improvement (20% or more from the previous year) will be receiving a cash award and a certificate. If the same child moves forward by 40%, the cash prize increases. We are very thankful to Mr. Surya Rao for initiating this award, which will certainly result in better grades next year.
